Referring a patient

To refer a patient to Eye Surgery Associates, simply choose from one of these convenient methods:

1. **Urgent Referral** - For urgent referrals to Eye Surgery Associates, call the site directly. Non-urgent referrals can be completed online or e-mailed referrals@eyesurgery.com.au
2. **After-hours emergencies** go to The Royal Victorian Eye and Ear Hospital (RVEEH). For urgent retinal detachment, contact A/Prof Andrew Symons at East Melbourne or Malvern.
3. **Oculo** - Log in to your Oculo account and select your preferred Eye Surgery Associates (ESA) ophthalmologist from one of our four locations.
4. **Referral Form** - download our A5 Referral Request (PDF), complete and email ESA.
5. Referrers are encouraged to email info@eyesurgery.com.au with the patient's referral. Please ensure to include the patient's name, date of birth, mobile number, and/or address for efficient processing.
6. To request referral pads, cards, or digital assets, please fill out the online request form or email marketing@eyesurgery.com.au
